**The Charming Oracle  
The Future in the Palm of Your Hand**

When it comes to divination tools, The Charming Oracle is about as simple and lightweight as they come. No cards to arrange. No crystal ball to lug around. No bulky coins or runes or gemstones to toss. This set of casting charms nestles easily in the palm of one hand, making it one of the most portable means of divination available.

**New in Lenormand...a lightweight, uniform set of casting charms**

Thirty-six charms make up The Charming Oracle—one for each symbol in the Lenormand deck. Available in B & W or color, packaged in a sturdy metal tin, this compact kit fits easily into a pocket or purse.

**Just toss...and read.** Charms can be cast over a calendar, a casting sheet, or oracle cards. Or used on their own. Throw the whole set, or pick just a few. Due to their uniform size, your fingers won't gravitate to larger pieces.

Scatter charms over a standard-sized wall calendar to see what the month will look like. Select a few charms at random and place them on an oracle reading to clarify the meaning of the cards. No more guesswork!

Not familiar with Lenormand? No sweat. We offer:

- **A Quick and Dirty Reading Guide** to get you started.
- **A Handy Dandy Cheatsheet** listing the Lenormand symbols in numerical order.
- **A Calendar Casting Guide for Monthly Predictions**, recommended for anyone new to casting charms.
